

Greensboro Communication Committee December 2019 Report

The Nextdoor blog has been monitored and the December 16 Caroling Party was posted in Events and later posted the night before as a reminder in the Regular News section.

Year End: Board Members are asked to send "Good Things at Greensboro in 2019" items and it will be added to the Newsbrief for the December or January issue, depending on contributions. A notice will also be placed in Nextdoor, asking for input from Greensboro Residents.

Resident Obituaries will be solicited and can either be added to the same issue or to the Minutes from the Greensboro Annual Meeting.

The notes from the 2019 Annual Meeting have resurfaced and Minutes will be composed from them by Jane and Lauren.

The draft of the December Newsbrief will be posted tomorrow, during lunch at the latest. Please review - it should go out to Residents no later than Monday.
